Preschool Activity Testimonial

We would like to extend our heartfelt appreciation to Ms. Shivali Khaitan for her kind visit to the AIDER Preschool and for conducting a series of fun-filled, meaningful activities with our children on May 3rd, 2025.

Her creative engagement with 45+ preschool students through activities like coloring, balloon popping, playing with balloons, passing the ball and the seed-sorting activity provided a rich and joyful learning experience. These activities not only brought smiles to the little ones but also contributed to their sensory development, motor skills, and curiosity.

We are also thankful for the thoughtful gesture of distributing lollipops to the children at the end, which added an extra layer of excitement and warmth to the session.

We truly appreciate her time, energy, and the love she brought to our center.

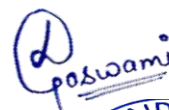

AIDER looks forward to continued collaboration and welcomes her to visit again in the future.

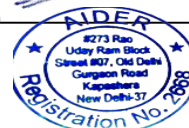

With gratitude,

Regards,

Mr. Virender Kumar Jha
